

3M 10434 Virtua Sport Safety Eyewear

Description

3M™ Virtua Protective Eyewear is a reliable choice against contact damage — but not all on-the-job dangers come in the form of an impact. This dynamic safety functionality makes 3M™ Virtua Protective Eyewear an ideal choice when comprehensive protection against both impact and UV damage is needed. Safety glasses come equipped with polycarbonate lenses that absorb up to 99.9% of harmful UVA and UVB rays.

Features

- Athletic-look styling with excellent eye coverage
- Durable, lightweight frame design
- High impact polycarbonate lenses absorb 99.9% UVA and UVB
- Specially designed and optimizes for superior comfort and secure fit for Asian faces
- Meets ANSI Z87.1-2003 and CSA Z94.1 standard
